

My name is **Avijit Patra**. I am from **Barabaghra Village**. My father's name is **Ananta Patra**, and my mother's name is **Putul Patra**. I have one sister, **Soma Patra**, who is an important part of my family.

I completed my **Secondary Education (Class 10)** from **Dantan High School** in **2022**. After that, I completed my **Higher Secondary Education (Class 12)** from **Wisdom Higher Secondary School, Balasore**.

Currently, I am pursuing a **Bachelor of Technology (B.Tech)** degree from **GIFT Autonomous College**. Throughout my academic journey, I have developed a strong interest in technology and problem-solving. My primary area of interest is **Data Science**, where I enjoy learning about data analysis, machine learning, artificial intelligence, and the use of data-driven techniques to solve real-world problems.

I am continuously working to improve my technical skills in programming, data analysis, and modern technologies. My goal is to build a successful career in the field of Data Science and contribute to innovative solutions that create a positive impact on society.

I believe in continuous learning, hard work, and dedication, which motivate me to achieve my academic and professional goals.
